This table is a large grid of symbols, organized into rows and columns. The rows are labeled on the left side with numbers 10, 20, 30, 40, and 50, and on the right side with numbers 10, 20, 30, 40, 50, 60, 70, and 80. The columns are labeled at the top and bottom with numbers 10, 20, 30, 40, and 50. The symbols within the grid include numbers (0-9), letters (A-Z), and arrows (black, white, green, yellow, blue). The symbols are arranged in a complex, non-uniform pattern across the grid.

The diagram is a large grid-based pattern. The columns are labeled at the top with numbers 10, 20, 30, 40, 50, 60, and 70. The rows are labeled on the right side with numbers 60, 70, 80, 90, 100, and 110. The grid is filled with a complex arrangement of symbols, including diamonds, circles, triangles, and alphanumeric characters such as 'A', '2', and '-'. The symbols are arranged in a way that suggests a larger image or logo, though the details are difficult to discern due to the scale and the specific symbols used. The pattern appears to be a stylized representation of a character or symbol, possibly related to the 'Page 3' label.
